

Meeting Called To Discuss Naming Streets In Region

Move Is Designed To Give Quick Response To Emergencies

Officials of the Pacific Telephone Company are sparking a plan to better identify homes and businesses in the North Tahoe, Truckee area by naming streets and roads and installing house numbers, a program worthy of support by the community.

To discuss the idea, a luncheon meeting, to which a number of civic leaders and business people have been invited, will be held at Tahoe Inn Tuesday, February 7 at noon. Edward Shirley, resident engineer for the company will preside and welcomes constructive suggestions.

The identification of homes and businesses in the area may prove valuable in many cases, such as for fire and ambulance calls, installation of utilities and a number of other reasons. Currently there is considerable duplication of street and road names and none of the houses are numbered, lending confusion in direction.

It is proposed to discuss the plan with Supervisors William Briner of Tahoe and H. G. Loehr of Truckee and perhaps bring the proposal before the planning commissions of the two counties involved.

It is proposed to get the project in action in the near future by signing streets and installing numbers. This may involve considerable work and committees may be named to assist in the program.

Wolverines Drop From League Lead

Earl Jarrett's Douglas Tigers took an early lead and kept it to score a 67-55 victory over the Tahoe Truckee High School Wolverines here last Saturday night.

Ray Custis led the Tiger win with a total of 18 points, while the rest of the starting quint, Bill and Mike Kinkel, Roger McDonald and Lloyd Anderson all hit 12. Doug Baxter with 18, and Benny Ferrari and Bill Notley each hitting 13, paced the losers.

The loss dropped the Wolverines out of first place in the Nevada Northern "A" Conference leaving them 3-1, while Douglas won by stands 5-1 in the League.

In the JV game, Truckee won by a score of 49 to 34.

Friday the Wolverines travel to Lovelock and on Saturday will play Winnemucca. The next home game will be with Yerington on February 11.

SCHOOL BOARD ACTS ON SEVERAL ISSUES

At the last meeting of the governing board of the Tahoe Truckee Unified School District, a letter was read from Mrs. Elaine Ford of the House of Seven Nations at Tahoe Vista concerning a waiver of the 1911 statute for Tahoe Vista subdivisions preventing the serving of alcoholic beverages.

The board voted unanimously to have Superintendent John Corbin contact the district attorney of Placer County to determine if it was legal to waive the restriction and if so that it be done.

In other action, the board regrettably accepted the resignation of Robert Beaverson as bus driver and the code of ethics for teachers was approved.

Whit Cox of Sacramento submitted revised preliminary plans for the Donner Trail Elementary School and they were accepted by the board.

No bids were received for boring a well on school property.

FORMER STUDENTS IN TRUCKEE MENTIONED

KINGS BEACH — Two former Tahoe Truckee High School students living at Lake Tahoe were named in the news this week for their interest in art. Miss Nikki Wing of Kings Beach is one of 27 sophomores who are candidates for the associate in arts degree to be given at Sierra College at the end of the semester this month.

Miss Sherry Thatcher of Carnelian Bay was pictured in the Sunday Sacramento Bee while listening to instruction of a decorative art teacher at the University of Davis.

ARSON SUSPECTS ARE QUIZZED BY DEPUTIES

Deputy Sheriff Roy Waters said that a number of suspects have been questioned regarding the suspected arson cases here last week but to date no arrests have been made.

In the meantime, Waters said, a constant vigil is being maintained to avoid further trouble of this kind. The incipient fires at the Alpine Riverside Hotel and at the M&E Club were definitely the work of an arsonist the officer declared.

Marriage License— Clarence Whiting and Nancy Whiting, both of Truckee were issued a Nevada marriage license.

State Employment Office Moved To Give School Office

Superintendent John S. Corbin has been instructed by the governing board of the Tahoe Truckee Unified School District to proceed with plans to move the district's offices and warehouse to the old elementary school building in Truckee.

This decision resulted in the department of employment being forced to find new quarters, since they have been using one room of the building for several months to process unemployment claims.

As a public service, the officials of the Community Methodist Church have agreed to permit the department to utilize the basement of the church twice a month for handling claims. The next meeting of the employment crew will be held in the church basement and from then until further notice.

Corbin was not certain just when the move would be made to establish the offices in the old school, but the employment people were asked to vacate by February 1 and the church board willingly agreed that the basement be used to keep the employment service in the immediate area.

Rangers Plan For Activities In 1961

The Tahoe's annual ranger meeting got underway on Tuesday at the new University of California Alumni Center near Tahoe City. Attending were Forest Supervisor Henry Branagh, the seventh district ranger and his resource assistants. Frank Sodolski, Nevada City district ranger is chairman of this year's meeting.

A key feature of Tuesday's meeting were talks and a panel discussion on public relations by Walt Skinner, drum division manager of the Pacific Gas & Electric Company at Auburn; Bill Cassidy, editor and publisher of the Auburn Journal; and Guerdon Ellis, retired supervisor of the Eldorado National Forest.

The purpose of the meeting is to plan work programs and fiscal budgets for the 1961 season in all management fields such as fire control, timber, grazing, watershed, recreation, and control of forest insects, diseases and porcupines.

The multiple use concept of all resources will be the guiding principle in all work planning. Under this concept the natural resources of each area are managed so that the greatest long range benefits are derived.

LLOYD GAY SPEAKS AT ROTARY MEETING

Twenty-five Rotarians and their guests attended the regular Monday night meeting of the Truckee Rotary Club at the Donner Lake Lodge. President Fosten Wilson announced that the next Monday night meeting would be cancelled to permit participation in the joint Rotary-Lions Clubs meeting to be held on February 1 at Smart's Cafeteria.

Lloyd Gay presented his impressions gained in Australia where he studied at the Australian forestry school in 1955-56 under a Fulbright Fellowship.

Visiting Rotarians included Ken Turnbow of Roseville and Carl Scholberg of Sierraville. Ken Knoerr of Berkeley was a guest.

DR. WISER ELECTED ON DONNER BOARD

Dr. Ray Wiser was elected as fifth member of the Donner Lake Fire District by a vote of 16 to 10, January 24 at the second election held within the month, to break a 17-17 vote tie between Dr. Wiser and Henry Slack. January 10 other officers were elected to their positions on the district board.

MAN OF THE YEAR

Alfred Heller, publisher of the Nevada City Nugget, has been presented with the Grass Valley Junior Chamber of Commerce award as the Young Man of the Year for 1960. The presentation was made at the annual award dinner Saturday. The selection was based on Heller's contribution to the advertising of Nevada County during the past year.

Huge Traffic Gain On Highway Seen In Annual Report

Travel Triples During Past Ten Years Over Local Highway

Some idea of the impact of the new freeway on traffic entering California over U. S. Highway 40 is reflected in the annual report from the department of agriculture which shows that nearly 100,000 more cars entered California via Truckee in 1960 than in 1959.

The report shows that during 1960 there were 374,346 cars, 50,764 trucks and 10,902 buses checked at the Truckee stations with 2,481,825 passengers. This compares to 775,902 cars, 49,444 trucks and 9,268 buses with 2,157,152 passengers for the preceding year.

This was a far higher percentage of increase than was shown in other stations. Over the state as a whole there were 4,821,084 cars checked during 1960 compared to 4,711,648 for 1959.

The Meyers station on Highway 50 showed a gain last year over 1959, there being 222,213 cars checked in 1960 compared to 208,170 for 1959.

Ten years ago, in 1950, Truckee reported a total of only 316,097 cars checked during the year with 943,719 passengers. This year's total was nearly three times that count, indicating the popularity of the local route and the increase in traffic generally.

ELECTION SCHEDULED BY FIRE COMMISSION

The Truckee Fire District Board of Commissioners has scheduled an election for April 4 to select one commissioner. The term of Elden Tonini is expiring but he has announced that he will be a candidate for reelection. In event no one else files, there will be no need for the election and Tonini will be appointed to the post.

The final date for filing a petition for candidacy is February 9. Other members of the board are N. F. Dolley, president and Earl K. Stice, secretary.

TAHOE GUILD PLANS VALENTINE'S PARTY

TAHOE CITY — A Valentine's Day cake social with games is being sponsored by the Ladies Guild of the Corpus Christi Church of Tahoe City on Tuesday, February 14 at 8 p. m. at Pop's Corner in the Tahoe Inn.

Coffee and cake will be served by members of the guild and families are urged to attend this party with a special invitation to the children who are welcome.

In charge of activities for the evening are Martha Snyder, the guild president, assisted by Chris Bonino, Maisie Carnell and Phyllis Gardner.

TAHOE MAN NAMED TO MARITIME POST

Ernest N. Kettenhofen of San Anselmo, Marin County, and owner of a subdivision at Homeewood and Chambers Lodge has been reappointed by Governor Edmund G. Brown to membership on the board of governors of the California Maritime Academy in Vallejo, Solano County.

Kettenhofen's new term will expire January 15, 1965. He was appointed to the board last May to succeed Hugh Gallagher of San Francisco, resigned.

Kettenhofen was graduated from the academy in 1941.

DRIVER INJURED

Postal Receipts In Past Year Show 12 Percent Increase

One of the most accurate indicators of the growth of a community is found in its postal receipts and this week Postmaster Richard Higgins revealed that the Truckee office during 1960 showed a 12 per cent gain over 1959.

The stamp sales, Higgins reported went from \$26,041.83 in 1959 to \$29,276.86 for the last year.

U-Save, Mariers In Town Hoop Lead

By JOHN FIRPO

U-Save and Mariers picked up victories in the Truckee Town League last Monday as the competition entered the third week.

U-Save knocked off a determined Harry's Meats in the opener, 48-36. The service station five jumped off to an early 6-0 lead and never were headed. John Hughes, U-Save center, led his team's scoring with 12 points while he received help from Bob Tonini and Ken Gordon with 11 and 10 points respectively. Harry's was led by the deadly jump shooting of Sam Medford who canned 16 points to take game scoring honors in a losing cause.

The U-Save men are now 2-1, while Harry's Meats stands at 0-1. In the second contest, Mariers' Marauders slipped past the Telephone five, 45-42. The Tel-Cos trailed 30-10 at the halftime but fought back with only four minutes remaining to narrow the count to 45-40. Dale Freeman of the Tel-Cos then sunk two free throws to lessen the Mariers lead to three points. But that was all they could muster and Mariers went on to win their second game against two losses.

Dale Freeland took scoring honors for both clubs with a 21-point total. Marauder's forward, Rex Donaldson sank 15 to lead his teammates while Buster Marier and Archie Scott tallied 11 and 10 in that order.

Kings Beach Lions drew a bye for the evening. Games are scheduled every Monday and Wednesday of each week with two games being held each night. The opening contest begins at 7 p. m. and the nightcap at approximately 8:30. There is no charge for spectators and the public is invited.

Here are the team standings as of Monday night's games:

Team	Record
Kings Beach Lions	2-0
U-Save	2-1
Mariers Marauders	2-2
Tel-Cos	1-2
Harry's Quality Meats	0-1

CUB SCOUTS RECEIVE AWARDS ON MONDAY

Donnerland, USA Proposed On Land West Of Truckee

Development Near Here Is Scheduled As Land Is Sold

"Donnerland, U. S. A." is the title of a major land development scheduled for the near future just west of Truckee.

William T. Marsh of Pleasanton has purchased some 45 acres between Highway 89 and the Donner Monument and between the freeway and the Southern Pacific tracks from G. E. Lewis for a sum said to be in excess of \$150,000 and proposes a business and recreation development of large magnitude.

Details of the project are pending the outcome of public hearings scheduled by the Nevada County Planning Commission for February 27 and March 13 on an application to exempt the property from terms of a temporary building ordinance.

The application seeks permission to establish a commercial district on the property.

Marsh, who owns property near Meeks Bay, is quite enthusiastic over the prospects of the proposed development and said the complete plan would be released as soon as possible.

Area In Darkness As Switch Pulled

Vandalism is blamed by officials for the power failure in the western part of Truckee Saturday night between 8:20 and 8:45 p. m.

A switch was pulled at the substation, according to Deputy Sheriff Roy Waters and suspects have been questioned and the federal bureau of investigation asked to cooperate. Waters pointed out that tampering with utilities is a minor offense and that culprits will be dealt with severely.

The power failure delayed the basketball game at the high school and caused considerable inconvenience to homes and places of business, including the Tahoe Forest Hospital.

FITZGERALD GUILTY IN JAIL BREAK CHARGE

NEVADA CITY—A jury of six women and six men last Friday found Stanley William Fitzgerald, 40, condemned killer, and Robert Smithson, 31, a parole violator, guilty of breaking out of the county jail here October 31.

Earlier in the day, District Attorney Harold A. Berliner asked the dismissal of a charge of assault with a deadly weapon.

Fitzgerald was scheduled to be sentenced this afternoon. He was booked in the prison reception center at Vacaville, last week on a Solano County conviction of slaying George Bonn, a drinking companion, near Truckee on August 3.

Work Progressing On Tahoe Beach Improvement Plan

By ELLEN ATTARDI

TAHOE CITY —The Tahoe Community Center trustees announced that first major steps toward beautifying and building up of the Tahoe City beach were completed last weekend.

This project is made possible by the generous gift of the late Matt Green, a long-time Tahoe City resident and former owner of Tahoe Tavern, who willed a \$5,000 trust fund for this purpose to the Tahoe City Community Center trustees in care of the Placer County Board of Supervisors.

In addition to this fund, called "Matt Green Memorial Fund for Tahoe City", many community leaders gave their time and equipment last weekend to help realize this project. Among them are Jack Houlgate of Clements Rock Products, C. E. Mandeville of Kings Beach, Bert Anderson, Don Painter, Ralph Bly, Lambert and Perata, Carl Becholdt, Jr., and Ollie Henrikson, who stockpiled the 1000 yards of sand already used on the project.

General plans of this project, some of which will be completed by the beginning of summer, include a bathing lagoon for children and teenagers, a concrete ramp on the west side of the beach for boating enthusiasts, new public toilet facilities, dressing room facilities for swimmers, picnic units with individual barbecue pits and an electrically lighted beach. The plans are now being drawn up for a bronze memorial plaque which will be permanently displayed in the area in memory of the donor.

Trustees who will administer the fund are Jack Dunn, president; William Becholdt, Harold Farr, Robert Stark and Dorothy Bury.

PATRICIA DAY WILL WED CHARLES FINK

Mrs. Hugh D. Brown has announced the engagement of her daughter, Patricia Leone Day to Charles William Fink, the wedding to be solemnized Sunday, February 12 at 2 p. m. by Rev. Franklin Evans in the United Church of Christ at Squaw Valley.

A reception will follow at the Fink home in Truckee.

Both Mrs. Day and Fink are well known in Truckee. She is a graduate of the Grass Valley High School and Sierra College and for the past year has worked in the office of Dr. Robert Affeldt here.

Fink is a graduate of the Auburn High School and the University of Utah where he majored in pharmacy. For the past ten years he has been employed by Loyd's Truckee Drug.

The bridegroom to be has chosen as his best man, Robert N. Cain, an Auburn pharmacist and former university classmate. Mrs. Maryanne Jackson of Grass Valley will be matron of honor at the ceremony.

HOSPITAL BOARD TO REORGANIZE FRIDAY

The board of directors of the Tahoe Forest Hospital will hold a special meeting on Friday, January 27, at 7:30 p. m. at the hospital.

The purpose of the meeting is reorganization of the board of directors and election of officers for the current year, consider the administrator's contract, and receive a report on the charges for services at the hospital.

PARK COMMISSION IS INSPECTING VALLEY

The state park commission will gather at Squaw Valley today for an informal inspection. This is not an official meeting—the commission is merely interested in seeing how operations are proceeding in the valley. No time is scheduled, but they planned to leave Sacramento about 8 or 9 a. m., arriving at the valley at 11 a. m. They will have lunch, conduct their business and return about 5 p. m.

COUPLE HELD

Murphy Watson and his wife, Irma, of Oakland were arrested by officers of the California Highway Patrol and he was charged with drunk driving and the wife with being drunk in an auto. They posted bail of \$368 and \$52.50 before being released to stand trial before Judge F. W. Wilson.

Robert Arthur Lope, 22, North Sacramento, was arrested by officers of the California Highway Patrol near Truckee and booked in the county jail on a charge of grand theft-auto. He allegedly stole the car in Sacramento and drove it across the state line.

Water Laboratory May Be Located On Truckee River

Installation May Be Placed Near Farad For Test Of Water

There is a good opportunity that a National Water Quality Network station may be established in this area.

Area Sanitarian Richard L. Walker has received a communication from William B. Schreder, senior sanitary engineer on water supply and pollution control at San Francisco indicating that the matter is being discussed with Donald Helgren, supervising sanitarian of the contract section at Berkeley.

The officials have selected Farad as a suitable location for the unit because the California Department of Water Resources takes samples from the Truckee river at that point and there is also a U. S. Geological Survey measuring station at the main point.

It was pointed out that the location would coincide with work of other agencies and prevent duplication.

The National Water Quality Network is an agency of the national government under the U. S. Department of Health, Education and Welfare. It was organized in 1957 in cooperation with state, local and other federal agencies having related responsibilities for the collection, interpretation and dissemination of basic data on water quality as it relates to water pollution, prevention and control.

The overall objectives of the network, scattered throughout the nation, but none in Northern California, are to provide such information as can be used in development of a comprehensive water resources program and data which will assist state and other agencies in their water pollution control programs.

There were 74 sampling stations located in the network in July for various purposes.

Full details of the plan will be announced after a survey of the area and possibilities are made, Walker said.

ATTORNEY EMPLOYED TO AID WATER PLAN

The Nevada County Board of Supervisors have entered into a contract with Adolph Moskowitz, a Sacramento attorney, to act as counsel for the county on the California-Nevada Interstate Compact Committee.

C. Edmunds, representing Nevada and Sierra Counties on the committee is a member of the engineering committee of the compact and said that the action of the board will materially assist him in negotiations.

Moskovitz was a former deputy attorney general of the state and for some years represented California on the compact group. He is considered one of the outstanding water attorneys in the state and also represents Placer County on the committee.

The engineering committee met in Reno yesterday to consider the water needs of the Truckee river system. The executive committee of the compact, of which Edmunds is also a member will meet soon to set the agenda for the next joint meeting to be held in Reno February 27 and 28.

Final two games will be held at the Tahoe Truckee high school gym January 30 and February 1.

Tom and Theresa Sutton of Kings and Jerry and Johnny Rayburn of Incline Beach are visiting in Phoenix and Tucson. The trip may be extended to Mexico. While in Phoenix they will visit Mr. and

Mrs. Steve Rayburn, Johnny's brother. Steve has recently suffered a heart attack but is at home satisfactorily convalescing.

Tahoe Lake Elementary School P. T. A. held their meeting at Tahoe City Wednesday, Mabel Nielsen, president. A film on narcotics was shown and Sheriff Scott spoke.

Lions Club of Kings Beach held a joint meeting with the Carson City Lions Club at Ziegler's Carson Inn, Carson City. It was ladies night also and those present enjoyed dinner and dancing to the Inn's three piece combo. Secretary Art Mueller, Kings Beach, presided in the absence of president, Connie Wainscoat. All reported a wonderful time and complimented the Ziegler's on their new business venture. The Kings Beach Ziegler's is also open.

North Tahoe Women's Club will hold their monthly meeting at the Crystal Bay Club at 12:30 on Monday, January 30. Following up on the recent talk on the making of jewelry, Maren Sedgwick of Kings Beach will talk on "Rockhounding in our Area." Maren will show stones collected and how to tell what to look for and where to look.

DONNER SUMMIT NEWS

By LLOYD W. GAY

SUMMIT WEATHER

Monday began the 36th day with no measurable snowfall at Soda Springs, an unusual weather condition for the Sierra winter, following on the heels of a near-record snowfall for the month of November. The days remained generally fair and warm during the past week, and somewhat warmer, as the maximum temperature at Soda Springs reached 52 degrees for three consecutive days on January 16, 17 and 18. The minimum dropped to 18 degrees above zero on January 18. The seasonal snowfall at Soda Springs remains at 112 inches, and the snow pack on the ground Monday morning was 32 inches.

BASKETBALL GAME

A bus load of school age rooters from the summit attended the Tahoe Truckee High School basketball game against Douglas last Saturday in Truckee, only to see Tahoe Truckee suffer its first conference defeat of the season. Twenty-eight children went over on the bus, driven by Frank Zoll, and the

group was chaperoned by Pete De Witt and Harvey Loder.

DANCE AT DONNER TRAIL SCHOOL

A dance was enjoyed by members of the fourth through eighth grades at the Donner Trail School last Friday evening, and the group was well chaperoned by Betty Board, Betty Aro, the Ron Moreys and Pat Jinks. Refreshments were provided for the group by a committee of Betty Board, Donna Morey and Barbara Zorich.

HIGHWAY CONTRACT TO OPEN

The state department of highways has called for bids for grading and construction of the Soda Springs section of the new freeway over the summit. The bids will be opened February 15. There have been a number of unhappy contractors who have come up to inspect the project in order to bid, only to find that the area is snowed in and can be reached only by two miles of over snow travel, and then the route stakes are covered by snow.

BIRTHDAY PARTY

Linda Hampton celebrated her fifth birthday on January 9 as nine guests came to the party at the Hamptons home. Karen Read, Sherry Payne, Lorie Cardwell, Robin Board, John Loder, Diane Morey, Tammy Anderson, Suzy Aro and Bonnie Hampton enjoyed

games and birthday cake. Wade Hampton also marked his birthday on January 9, as he shares this birthday with his daughter.

BABY GIRL ARRIVES

A new daughter, weighing seven pounds, eight ounces, was born at the Tahoe Forest Hospital to Emo and Anne Henrich of the Sugar Bowl on January 19. The little girl will be named Mercedes. Emo has been the racing coach at the Sugar Bowl ski school for the past several years, and the Henrichs spend their summers in Chile where Emo serves as assistant ski school director at one of the large ski resorts in the southern hemisphere.

DISTRICT 5 SKI CHAMPIONSHIPS

The District 5 Ski Championship Giant Slalom race was held at the Donner Ski Ranch under the sponsorship of the Peninsula Ski Club on January 22. Olympian Tom Corcoran and his wife Birdie were forerunners for the event, along with Norm Saylor, manager of the Ski Ranch. The top time in the 30 gate course was turned in by Class B racer Paul Grist who flashed down the slope in 51.6 seconds. Winner of the Class B women's division was Dorothy Mercer of Squaw Valley in 1.04. The Class C mens winner was Robin McBride of Rubiyat in 53.1, and the Class C womens division was won by

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY

KINDERGARTEN: We had to say goodbye to Eddie Brantley. He has moved to Fontana with his parents, Mr. and Mrs. Clyde Brantley.

Laura Jordan joined our class this week. She is a transfer from Las Vegas.

Genie Vind is on a vacation trip this week with her parents, Mr. and Mrs. J. P. Vind.

FIRST AND SECOND GRADE: Children who received a very good mark on last week's arithmetic test were: Mike McLane, Phillip Grow,

Sharon Eckerman, Dan Russell, Sheri Sassarini, Steven Cochrane, Robert Johnson, Sonia Sandoval, Mike O'Bear, David Daly, John Laugenour, Ida Reichlin, Denise Clepper and Carol Brant.

SECOND AND THIRD GRADE: As a culmination of a social studies unit we made butter. It tasted pretty good, everyone decided, since we put it on soda crackers.

We have a new girl Catherine Stellmacher. She comes from Wisconsin. We also have a new boy, Leslie Smith in the 2nd grade.

Best spellers this week are: Billy Fordham, David Greene, Douglas Reid, Gary Stone, Roxanne Brown, Catherine Craig, Margaret Holloway, Deborah Jellin, LaVon Mayer, Catherine Stellmacher and Gary Schumacher.

THIRD GRADE: We've had a number of January birthdays: Debby Wurst, Debby Harris, Ben King, David Capel.

We'll miss Benny Castle who has moved to Verdi.

Great improvement in spelling has been made by Kay Snyder, Linda Sandoval, David Capel and Larry Simmons.

FOURTH AND FIFTH GRADE: Scoring 100 per cent in spelling this week were: Maryann Atkinson, Michelle DeLisle, George Franceschini, Terry Higgins, Ryan Houlgate, Eddie McCarroll, Liz Richards, John Clark, Mike Kydd, Bill Rose, Karel Sauby, Gail Shackelford, and Jill Wurst.

In arithmetic, Mike Kydd and Karel Sauby hit 100 per cent on a 20 minute time test that found forest micro-climate.

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p. m. on February 15, 1961, at which time they will be publicly opened and read in the Assembly Room of said building, for construction on State highway in accordance with the specifications therefor, to which special reference is made, as follows:

Nevada County, between 0.5 mile west and 2.6 miles east of Soda Springs (III-Nev-37-B), roadways for approximately 3.4 miles of 5-lane divided highway are to be graded, drainage facilities are to be installed, and 3 bridges are to be constructed.

Bids are required for the entire work described herein. Plans, specifications, and proposal forms to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the offices of the District Engineers at Los Angeles and San Francisco, and at the office of the District Engineer of the district in which the work is situated.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Standard specifications and special provisions. The Department of Public Works reserves the right to reject any or all bids.

Minimum wage rates for this project have been predetermined by the Secretary of Labor and are set forth in the special provisions. In the event there is a difference between the minimum wage rates as predetermined by the Secretary of Labor and the prevailing wage rates as determined by the Department of Public Works for similar classifications of labor, the Contractor and his subcontractors shall pay not less than the wage rate which is the higher of the two.

Abbreviations used in the schedule of predetermined wage rates in conjunction with employer payments listed in the right hand columns are identified as follows:

ph	per hour	pd	per day
phw	per hour worked	pdw	per day worked
php	per hour paid	pdw	per day paid
phw/p	per hour worked or paid	pdw/p	per day worked or paid
psw	per straight time hour	w	wage
psw/p	per straight time hour worked	gw	gross wage
psw/p	per straight time hour paid	tw	total wage
psw/p	per straight time hour worked	pm	per man day

Employer payments other than those itemized herein, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workmen or mechanics employed on the project.

Overtime, Sundays and Holidays—not less than one and one-half (1½) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

Copies of all collective bargaining agreements relating to the work as set forth in the aforementioned Labor Code are on file and available for inspection in the office of the Department of Industrial Relations, Division of Labor Statistics and Research.

Attention is directed to Section 7.101G of the Standard Specifications providing for employment of apprentices on the work. Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the trade at which he is employed. Information relative to employment of apprentices shall be obtained from the Director of the Department of Industrial Relations, who is the Administrative Officer of the California Apprenticeship Council.

Pursuant to the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the county in which the work is to be done as follows:

Continuous benefits are available to all through a fuller comprehension of God as Love. This idea will be enlarged upon at Christian Science services Sunday in the lesson-sermon entitled "Love."

Readings from the Bible will include this selection from I John 4:9: "In this was manifested the love of God toward us, because that God sent his only begotten Son into the world, that we might live through him."

The closing citation to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (6:17-18): "God is Love." More than this we cannot ask, higher we cannot look, farther we cannot go."

The Golden Text is from Jeremiah 9:24: "Let him that glorieth glory in this, that he understandeth and knoweth me, that I am the Lord which exercise loving-kindness, judgment, and righteousness in the earth."

Squaw Valley

Mail address: Box 3, Squaw Village. Phone OL 8-9960.

"Letters to a Young Church" is the general theme of the sermons this month preached by the Rev. Frank Evans at the 9 and 11 a. m. services of worship.

Beginning Thursday, February 2, a service of worship will be held at 7:30 on Thursday evenings for all those who are unable to attend worship on Sunday mornings. This service will be identical to the Sunday morning service and will be followed by a period of coffee and conversation around the central fireplace in the Converse room. Child care will be provided if it is necessary.

Most bamboos are extremely slow to flower and produce seed.

Monty and Joan Atwater of Squaw Valley recently returned from an Alaskan trip and are off again on another trip—this time to Monterey and Fort Ord. While in Alaska, Mr. Atwater, the well-known "avalanche control" expert with the U. S. Forest Service, lectured at the University of Alaska and visited Juneau, Anchorage and Fairbanks. Mr. Atwater is investigating machinery and equipment to be used for avalanche control work while in Monterey.

Proud parents are Jim and Diane Morhain of Tahoe City who welcomed a son into the family on January 18 at St. Mary's Hospital in Reno. He weighed in at 7 pounds, 5½ ounces and was named Brett Scott.

Twenty junior skiers will compete under the banner of the Lake Tahoe Ski Club this weekend on the Mammoth Mountain slopes in the second F. W. S. A. junior point race of the season. These junior racers will be vying for points for qualification on the team that will represent the western area in the national junior championships which will be held in the eastern United States later in the season. Racers who will enter the various races are Eric Poulsen, Greg Moore, Mark Sullivan, Dianne McBride, Ann Marie Connors, Julie Ann Bechdolt, Stephanie Snyder, Sandra Poulsen, Paul Sullivan, Karen McBride, Cathy Connors, Cheryl Bechdolt, Lance Poulsen, Jimmy Bechdolt, Wayne Poulsen, Dickie Nielsen, Bro Shontz, John Carnell, Sandy Fellows and Trent Giannini.

DONNER DOINGS

By VIRGINIA O'BEAR

Still no snow with bright sunny weather over the weekend. Monday and Tuesday showed signs that winter is here so I sincerely hope by this coming weekend, our children can all be out making snowballs, and we can all get out and shovel snow.

Taking advantage of the beautiful weather over the weekend was Bob Jamieson of Reno. He operates the beach at the west end every summer so he was busy cleaning out the channel and raking the beach and getting it ready for swimming and boating.

Arlene Johnson finally made it up last weekend with her son and two of his young friends. She couldn't make it up the week before as her busy schedule would not allow it. She and the children had an enjoyable time and will be up again sometime in April.

Mr. and Mrs. Arnold Verdi returned home last Friday from their business trip to New York. George Brack managed their motel while they were away.

Mrs. Glenn Springer-Miller, her two sons, Frank and John, spent another weekend at Donner Lake, enjoying the skiing at the Sugar Bowl. They live in San Francisco now but were former New Hampshire residents. They say the skiing is great here, much better than in the east.

The Truckee Outdoor Sportsmen will meet on Friday, February 10, at the Capitol Hall. The meeting will start at 7:30 p. m. and visitors are welcome to go. A very important discussion of Donner Lake is scheduled for that evening and it would be nice if the Donner residents would attend and discover what this group of sportsmen is doing for Donner Lake.

The Donner firemen are busy again this week as they are having a re-election at the fire house. They had a tie several weeks ago in their effort to get five new board members. Dr. Ray Wiser and Henry (Hank) Slack are on the ticket for the fifth board member so all persons who registered and voted are asked to vote this week for either man. Results will be reported next week in this column with any other little interesting events that happened during election time.

The ladies auxiliary will meet in February at the Church of the Mountains for dinner and election of officers for the year. The dinner will start promptly at 7:30 and the date is the 16th on Thursday. All members are invited to attend and enjoy the delicious food prepared by ladies of W.S.C.S. The meeting place will be in the basement where we met last year and I'm sure that all persons who were

KINDERGARTEN: Billy Belvin celebrated his sixth birthday this week.

The class is still working on numbers. A grocery store will soon be set up in our classroom.

SECOND GRADE: Jon Jensen and Billy Brehler are in the intermediate skiing class. They will go to Squaw Valley each Tuesday, during our skiing program.

The following children completed the reader "Many Surprises" and are now reading in "The New Friends and Neighbors": Susie Dean, Jimmy Black, Alvin Dow, Warren Quartley and Ronnie Sergi.

The following students received 100 per cent in their penmanship test this week: Becky Erickson, Nancy Tiller, Terry Wainscoat, Susan Leon and Lynnann Fugazi.

THIRD GRADE: "The Ocean" has been our science topic this week. The children have outlined the chapter, written about their favorite sea animal and illustrated the story.

FOURTH GRADE: This week we saw two films on mission life. It was a very good film, and helped us in our study on missions.

FOURTH AND FIFTH GRADE COMBINATIONS: Our class officers this week are Ray Manning, president; Sharon Decker, vice president; Robert Purcell, secretary; Stephanie Martin, treasurer; and Aaron Hibel, librarian.

Jeff Eckhart is the new fourth grader in our room.

FIFTH GRADE: Tony Rates, Patty Bervid, Linda Carrara, Georgia Burris, Robert Fugazi, Gregory Pope, Mitchell Abbott and Mike Cook received A on the six weeks test.

Thanks to Linda Carrara's and Cathy Murray's parents we were able to watch the inauguration on TV.

Jerry Neugebauer and Jimmy Fisher were enrolled in our class for Christmas.

SIXTH GRADE: At the end of the past week the boys spelling grades were averaged, as were the girls. Each group had an average

there last time will not miss this special meeting.

of 96 per cent.

The arithmetic grades were also averaged. The boys had 70 per cent and the girls had 86 per cent.

The perfect grades in spelling were attained by: Armen Abrahamian, Tommy Barr, Gregory Beck, Kenneth Bertorelli, Carl Christiansen, Jon Hooper, John Korsun, Ronald Soren, Nancy Barker, Kathleen Chastain, Susan Clackett, Carol Corbin, Vicki Jones, Debbie Martin, Cathy Rockholm, Teena Slatkovski, Candace Von Ruden, Christine Wainscoat, Linda Harris and Pamela Hane.

Jon Hooper and Vicki Jones had the highest grades in a science review on the circulatory system.

Jon Hooper, Armen Abrahamian, Jim Sergi, Nancy Barker, Vicki Jones, Cheryl Sanderson and Candace Von Ruden each had the highest marks in a review on the Latin American country of Brazil.

SEVENTH GRADE: Our best spellers in the past weeks are Paula Martin, Dale De Silva, Stephen Newberry, Bob Mondino, Mike Thomas, Terry Boatman, John French, Darryl Lausche, Howard Price, Michaeline Rates, Bruce Templeton and Larry Tiller.

EIGHTH GRADE: Our class has decided to go to San Francisco and stay over night at the Y. M. C. A. and see all of San Francisco. To raise money, we are now checking coats at the Crystal Bay Club, selling a newspaper for the school, selling sweat shirts with Kings Beach on them, and selling pens and book covers.

We elected new class officers, they are as follows: Carol Franklin, president; Kave Erickson, vice president; Butch McWilliams, secretary; Marie Wainscoat, treasurer. Class news: Madelyn Kammerer, Nancy Bervid, Carol Franklin and Kave Erickson.

We had a basketball game January 10 at Tahoe Lake. The score was 26-24, our favor.

We have elected our cheer leaders, they are: Madelyn Kammerer, Angie Granata, Carol Franklin, Wendy Boatman, Toni Taylor and Jenny Inverdi.

We had a math test January 13, and the highest grade was 94 per cent received by Karen Simpson. Estelle Howell received 92 per cent.

TAHOE LAKE SCHOOL

KINDERGARTEN: The kindergarten children are learning to read by pictures in the readiness book. They read the nursery rhymes from pictures, then made a free hand drawing of the rhyme they enjoyed most. Best pictures were by Britt Brouland, Martha Easton, Kathryn Larson, Sandra Keechler, Patrick Becholdt, Edward Shaw, Gracia Cook, Sonya Kimball,

Debra Daft and Janice Coster.

FIRST GRADE: The following students made stars on their print tests this week: Joella Moe, Sheryl Walling, Charlene Keehn, Foster Mullen, Karen Mullen, Jeri Sampson, Rudy Peterson, Jeff Ballenger, Eddie Connors, Susan Lewis, Theresa Vanni, Jim Ed Burckett, Michael Becholdt, John Attardi, Carla Lentine, Scott Jorgensen.

FIRST, SECOND AND THIRD GRADE COMBINATION: We have been learning about airplanes. We saw a movie called "Men In Flight." Many of us have read books and written reports. Cathy Menges read "Airplanes and How They Fly."

We saw the inauguration of President Kennedy on television.

SECOND GRADE: In a 35-word spelling test these children received 100 per cent: Paula Henrikson, David Thomson, Jennine Michener, Jackie Ghorntley, Nikki Ballenger, Michelle Legras, Susan Cannon, Jimmy Phelan, Bonnie Nyberg, Cynthia Camp, Yvonne Baker, Carol Ann Pelletier, Kevin Kehoe, Steven Cross. Nikki Ballenger received an "excellent" in the weeks writing assignments.

THIRD GRADE: Among the 23 children who received 100 per cent in arithmetic were: Kristan Attardi, Chuck Bacon, Marvin Banta, Mindy Becholdt, Brent Bradley, Carl Larson, Linda Walker, Marta Morris and Karla Meixner.

FOURTH GRADE: Children receiving hundreds in the weekly spelling test were: Richard Burckett, Calvin Becholdt, Heidi Hinkson, Shirley Gratner, Kathy Mockaities, Ann Wincenciak, Dennis Scoville, Mike Alves, Denise Kimball, Ann Call, Shirley Stark, David Donaldson, LeRoy Hammer, Ray Street, Jim Orr, Kitty Wertz, Mike Kettenhofen, Jim Caulkett, Eric Poulsen, Tom Carnell, Cheryl Becholdt, Meredith LaTour, Greg Pyle and Greg Hill.

For many years, the division has been weak in providing camp sites for the public. Opinions have differed on the reasons. Some have contended that the division was

Teach your children fire safety early!

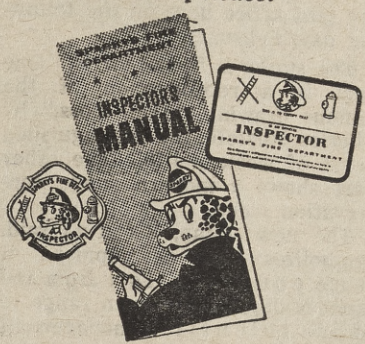

A special fire department for kids has been created by the National Fire Protection Association to help give children a respect for the dangers of fire early in their lives.

Your child can join this wonderful fire department and receive a special instruction manual on how to avoid fires, a special badge and an official membership card. All you do to enroll your young fire prevention expert is to send 25¢ to SPARKY'S FIRE DEPARTMENT, Boston 1, Mass.

Sparky's Fire Department is a non-profit project of the NFPA's nation-wide public education program.

too busy building plush houses for its employees to be concerned about the public. Others held that insufficient funds were available to install camp sites.

However, when Charles DeTurk assumed command of the division, he immediately set forth plans for better usage of the parks and beaches, and now has come up with a development which in five years, could add more than 15,000 camp sites to the facilities of the parks.

This is no small item when it is estimated by the division of recreation that there are now, including federal, state, municipal and private camp sites, only 29,000 available.

The cost of a camp site, according to DeWitt Nelson, director of the state department of natural resources, averages approximately \$1,000. This includes not only the construction of a cooking base, table, and food locker, but also a pro-rate for site development, roads, water, restrooms and other expenditures necessary to provide a place for the camper to throw his tent.

The cost of a camp site has risen in the past ten years. Although many people feel this is too high a cost for a site, experts are of the opinion it is a normal cost when the extra facilities are provided into the total.

The beaches and parks program then, would amount to an overall figure of approximately \$1,500,000 if carried to its completion. Progress, of course, will depend on the extent to which the legislature provides funds for camp-site development.

But in any event, the camper has more to look forward to insofar as state parks are concerned than he has since the division was created. Past park commissions, while claiming sympathy for the public, appeared to be more interested in maintaining the "natural beauty" of the parks, rather than converting them into usable sites for the public.

A prime example in years past was D. L. Bliss Park at Lake Tahoe, which at the time contained more than 900 acres of land, and less than 90 camp-sites, and the division of beaches and parks refused to permit camping in the area unless a site was assigned. Acreage in this area eventually is expected to grow to 2,300, with camp sites. At present, there are 275 instead

It is undisputed that the state beaches and parks development will be costly. However, it is felt that if the state wants to sponsor public parks, which it apparently does, that the funds to be expended should be disbursed for the benefit of the people who intend to use the parks.

DeTurk apparently feels the same way, and from his proposed five-year plan, his efforts are being pointed in this direction.

WARNING IS ISSUED ON TRAILER HEATERS

Lowell Nelson, chief of the division of housing, department of industrial relations, warned the people of California to be on the lookout for deadly unvented gas heaters installed in trailers.

Last year 23 lives were lost in midwestern states due to a unvented heater.

Nelson emphasized that California's rules and regulations covering trailer coaches sold or offered for sale in California require that all heaters, as well as plumbing and electrical equipment and installations, meet rigid standards and tests by an approved testing agency prior to being approved by the division of housing for installation in trailer coaches.

Nelson said that the division is issuing stern warning against bootleg installation of such unapproved heaters in trailers sold in California. Nelson further emphasized that division field personnel are on the alert for any illegal installations and continuous surveillance is being maintained for trailer coaches coming into California from out of state.

A "RUNNING LANE" HELPS HOOKS

RUNNING ALLEY

Many new bowlers hear the terms "running lanes" and "slick lanes" on the alleys and in these articles without really knowing what each phrase means.

A "running lane" has little or no oil or dressing on it. The ball grips the surface of such a lane quicker and better. Hence, the ball will hook more as shown in the illustration and the lane is called a running or dry lane.

On the other hand, a lane which has plenty of oil or dressing on it is called a "slick lane." The ball will slide or skid more on such a lane and any hooking action will be reduced.

Most establishments will clean and oil their lanes at the end of the business day, which might be in the wee small hours of the morning. Or perhaps they wait until mid-morning before applying the dressing. In either case, a bowler trying the lanes around noon will generally find his hook reduced by the amount of oil on the lanes.

Later in the day, after a number of games have been bowled on the lanes, much of the oil has been removed, and a hook ball will grip the lane well.

So, if your normal ball isn't hooking enough, you will have to adjust to meet the conditions. (Copyright, 1960; by National Newspaper Syndicate)

Charter Night For Auxiliary Success

By VIRGINIA O'BEAR

Nearly 100 people enjoyed the dinner and charter party at Donner Lake Lodge last Thursday evening. Twenty-five charter members of the Ladies Auxiliary of the Donner Lake Volunteer Fire Department were honored. Each charter member was presented with a lovely carnation corsage from Fire Chief Hap Warnke.

Several charter members were unable to attend as some were out of town. The 25 charter members are: JoAnne Affeldt, Jerie Bonano, Lona Boren, Julie Clark, Violet Chapman, Julia Davis, Helen Doolittle, Janet Franklin, Eleanor Capel Fulcher, Joan Herron, Laura Horman, Charlotte Harris, Florence Tremayne King, Patti Lewis, Virginia O'Beare, Bess Reid, Jo Rich-

ards, Claudia St. Claire, Fredna Smith, Dorothy Slack, Ozella Slate, Betty Teal, Jean Walker, Donna Warnke and Edith Welch.

Hostesses JoAnne Affeldt, Muriel Wiser and Nancy Brodie carried out the fire department theme with their clever table decorations. They presented each charter member with a little felt fire hat upon arrival along with a miniature charter. The main table was the center of attraction as a beautiful 16x20 inch charter was rolled and tied with a bright red ribbon, with all of the charter names handsomely printed on it by Nancy Brodie.

After the prime rib dinner, the program was turned over to Virginia O'Beare, by President Jean Walker. The program was short but impressive.

The first guest was Dr. Robert Affeldt, president of the fire department, giving the highlights on how the department was organized in 1957. He then introduced Fire Chief Hap Warnke to the group.

Hap told his story with clever drawings, each having a price tag to show the cost of equipment and operation. He ended his program showing a clever fire hat supposedly worn by an auxiliary member with a price tag saying, "Love and Kisses." Mrs. O'Beare then read the names of the charter members from the charter, then introduced the two past presidents of the auxiliary, Laura Horman and Bess Reid and the present one, Jean Walker. Each lady told of her most memorable moments while serving as president.

After the meeting was adjourned, many stayed on and visited and enjoyed dancing, expressing their desire to make this an annual party each year. Another little highlight of the evening that some did not hear of is this, which goes to show the spirit and feeling in the air. A young engaged couple en route to Squaw Valley, stopped by for a cup of coffee after coming down the summit. After watching the guests arrive and the enthusiasm of the large group, they inquired about the occasion. When told by one of the hostesses what it was all about, they asked if they might stay and have dinner and listen to our program.

They enjoyed the party so much and the people that they have decided to buy a lot at Donner Lake, wanting to join in with this little community with its all out effort for fellowship and an efficient fire department. We can be very proud of our fire department and the ladies auxiliary.

NEW CONSERVATION U.S. STAMP IS ISSUED

Conservation leaders here are looking forward to issuance of the world's first conservation postage stamp by the post office department in Salt Lake City, Roy W. Saarni, district ranger for the U. S. Forest Service, said today.

The commemorative 4-cent stamp, printed in three colors, will be issued February 2 at the American Society of Range Management's annual meeting at Salt Lake City. The stamp will go on sale at the post office here on the following day, February 3.

The stamp is in two parts. One part is a reproduction of the famous drawing, "Trail Boss," by Charles Russell, the distinguished artist of western life. The other part shows a modern range conservation scene.

The new stamp, Saarni said, symbolizes the development of range conservation from the pioneer days of the open range to today's scientific management techniques.

Those who are interested in a "first-day cover," souvenir envelope, can mail addressed envelopes plus a money order or certified check for the number of stamps required to the postmaster at Salt Lake City, Utah, who will place the range conservation stamp on the envelopes, cancel with a special cancellation mark used only on that day and at that place, and mail as addressed anywhere in the country.

MANY COMPLETE RED CROSS CLASS AT LAKE

TAHOE CITY — The American Red Cross standard first aid class was completed with flying colors by the Kings Beach volunteer firemen, wives and friends. Classes were conducted at the Kings Beach fire house.

Those attending: Aaron Abbott, Ivan Astle, James Astle, William Connolly, Robert Daneri, G. L. Gerlits, Tom Hoffman, Oscar Lekang, Howard Mason, Ben Pomeroy, B. A. Viera; Mesdames Beulah Astle, Ella Rae Fulton, Frances Gerlits, Joyce Lekang, Betty Rich, Miss Audrey Welch and Chris Burner, refresher from a junior first aid class.

On Thursday, February 2, between the hours of 7:30 and 9:30 p. m. at the Kings Beach fire house an American Red Cross advanced first aid class will start. Any person holding a current standard first aid card is eligible to receive advanced first aid instruction and welcome to attend these classes. A minimum of 16 hours of class instruction is required. Classes will be every Thursday and Friday evening until completed, according to Instructor Marie Henry.

RED CROSS WORKERS WILL MEET IN CARSON

The American Red Cross directors meeting for the Sierra Nevada chapter will be held at noon, January 28, in the banquet room of the Nugget in Carson City, Nevada. This is an important meeting to the Lake Tahoe, Truckee, Donner Lake area in re-organizing the districts.

Each community will have its own volunteer representative in each service: water safety, first aid, home service, fund raising, disaster service, volunteers, public information.

Any information of volunteers willing to participate in the American Red Cross in the Truckee, Donner area, Squaw Valley, Tahoe City, Kings Beach, Homewood, Meeks Bay, Tahoe Valley and state-line areas, may notify Marie Henry, director, American Red Cross, Tahoe City.

BOARD DECLINES TO ACT ON CONTROLLER

Although the county grand jury strongly recommended the establishment of the office of county controller, the Nevada County Board of Supervisors declined action on the move.

An inconclusive vote on the proposition was taken at the last board meeting with Supervisors H. G. Locher and W. W. Bishop favoring the action. Supervisors Guy N. Robinson, Neil Hennessy and Gene Ricker declined to vote, thus temporarily shelving the proposal.

Grand Jury Foreman Larry Quimby pointed out that 42 counties in the state have adopted the program and strongly urged Nevada County to follow suit. The proposal would place the duties of the controller in the hands of County Clerk John T. Trauner.

SQUAW VALLEY BILL IS BEFORE SENATE

SACRAMENTO—(CNS) — A bill which would prohibit signing of concession contracts similar to the one for state facilities at Squaw Valley, without putting the contract out for bids, has been introduced in the state senate.

The bill, SB268 by Senator J. Howard Williams, Porterville, requires bidding for all concession contracts of more than five years duration in park areas.

Williams' committee on natural resources had been critical of the administration for signing a 27-year contract for lease of facilities of Squaw Valley.

CARD OF THANKS

MOTORISTS IGNORANT OF NEW LIGHT LAWS

"Many motorists apparently are still unaware that parking lamps are not a substitute for headlights," California Highway Patrol Commissioner Bradford M. Crittenden pointed out this week.

"The law which prevents use of parking lamps while driving—except as a turning signal or when the headlights also are on—has been in the vehicle code for five years," he said, "but the incidence of incorrect usage is still high."

Passage of the law was designed to halt a dangerous practice. "It was patrol experience that parking lamps used as driving lights tended to confuse oncoming drivers. The

pinpoints of light were misconstrued as regular headlights yiewed at some distance.

"The recent fog which blanketed much of central California emphasized the problem," he pointed out. "The small amount of light provided by parking lamps could not be seen by approaching drivers."

"Whenever it is necessary to turn on your lights while driving, be sure it is the headlights, not the parking lights," he cautioned.
